LOCATION – Covered stalls will be erected on Castle Quay South Car Park – for those wishing to bring their own tables, rigs or gazebos these will be erected along the canalside from the rear of H & M to Tooley's Boatyard, or under the boardwalk opposite The Flying Aubergine. Rigs or gazebos must be suitably weighted down as this is a hard standing area. You will be liable to make sure your area is safe. **Our Insurance does not cover the stalls/stallholders or area immediately around them – therefore we recommend that everyone has £5,000,000 public liability insurance and complete the attached risk assessment form which should be kept with you at all times.**

I / We have read the full terms and conditions and have completed a risk assessment form which we will keep with us throughout the day. We have adequate public liability insurance and request a space as described above.
